

1 **UNITED STATES DISTRICT COURT**
2 **DISTRICT OF NEVADA**

3 JOHNNY WILLIAM JOHNSON, III,

Case No. 2:22-cv-00462-APG-EJY

4 Petitioner,

ORDER

5 v.

6 C. JOHNSON, et al.,

7 Respondents.

8
9 This habeas matter is before the Court on Petitioner Johnny William Johnson III's
10 application to proceed *in forma pauperis* ("IFP"). ECF No. 9.

11 On July 8, 2022, I ordered Johnson to file a complete IFP application or pay the \$5.00
12 filing fee before August 26, 2022. Johnson has filed an incomplete IFP application and a letter
13 explaining that he provided a financial certificate to the proper prison officials but has not
14 received it back yet. ECF Nos. 9, 9-1. Because Johnson needs additional time to receive his
15 financial certificate, I defer ruling on his IFP application and grant him additional time to file a
16 completed financial certificate and statement of his inmate account.

17 I THEREFORE ORDER that Johnson has until October 17, 2022, to file a signed
18 financial certificate and a statement of his inmate account.

19 Dated: September 1, 2022
